EXECUTIVE SUMMARY

AUDIT EXAMINATION OF THE CASEY COUNTY SHERIFF'S SETTLEMENT - 2000 TAXES

April 7, 2001

The Auditor of Public Accounts has completed the audit of the Sheriff's Settlement - 2000 Taxes for Casey County Sheriff as of April 7, 2001. We have issued an unqualified opinion on the financial statement taken as a whole. Based upon the audit work performed, the financial statement is presented fairly in all material respects.

Financial Condition:

The Sheriff collected net taxes of \$2,320,675 for the districts for 2000 taxes. The Sheriff distributed taxes of \$2,320,602 to the districts for 2000 Taxes. The Sheriff was given credit of \$1,350 for prior year and current year refunds. Refunds of \$1,277 are due the Sheriff from the districts.

Report Comment:

Lacks Adequate Segregation Of Duties

Deposits:

The Sheriff's deposits were insured and collateralized by bank securities or bonds.

Honorable Ronald Wright, Casey County Judge/Executive
Honorable Robert Weddle, Casey County Sheriff
Members of the Casey County Fiscal Court

Independent Auditor's Report

We have audited the Casey County Sheriff's Settlement - 2000 Taxes as of April 7, 2001. This tax settlement is the responsibility of the Casey County Sheriff. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, and the Audit Guide for Sheriff's Tax Settlements issued by the Auditor of Public Accounts, Commonwealth of Kentucky. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the Sheriff's office prepares the financial statement on a prescribed basis of accounting that demonstrates compliance with the modified cash basis and laws of Kentucky, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the Casey County Sheriff's taxes charged, credited, and paid as of April 7, 2001, in conformity with the modified cash basis of accounting.

To the People of Kentucky
Honorable Paul E. Patton, Governor
T. Kevin Flanery, Secretary
Finance and Administration Cabinet
Dana Mayton, Secretary, Revenue Cabinet
Honorable Ronald Wright, Casey County Judge/Executive
Honorable Robert Weddle, Casey County Sheriff
Members of the Casey County Fiscal Court

Based on the results of our audit, we present the accompanying comment and recommendation, included herein, which discusses the following report comment:

• Lacks Adequate Segregation Of Duties

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated August 15, 2002, on our consideration of the Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> and should be read in conjunction with this report in considering the results of our audit.

Respectfully submitted,

Edward B. Hatchett, Jr. Auditor of Public Accounts

CASEY COUNTY NOTES TO FINANCIAL STATEMENT

April 7, 2001

Note 1. Summary of Significant Accounting Policies

A. Fund Accounting

The Sheriff's office tax collection duties are limited to acting as an agent for assessed property owners and taxing districts. A fund is used to account for the collection and distribution of taxes. A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

B. Basis of Accounting

The financial statement has been prepared on a modified cash basis of accounting. Basis of accounting refers to when charges, credits, and taxes paid are reported in the settlement statement. It relates to the timing of measurements regardless of the measurement focus.

Charges are sources of revenue which are recognized in the tax period in which they become available and measurable. Credits are reductions of revenue which are recognized when there is proper authorization. Taxes paid are uses of revenue which are recognized when distributions are made to the taxing districts and others.

C. Cash and Investments

At the direction of the fiscal court, KRS 66.480 authorizes the Sheriff's office to invest in the following, including but not limited to, obligations of the United States and of its agencies and instrumentalities, obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States, obligations of any corporation of the United States government, bonds or certificates of indebtedness of this state, and certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which are insured by the Federal Deposit Insurance Corporation (FDIC) or which are collateralized, to the extent uninsured, by any obligation permitted by KRS 41.240(4).

Note 2. Deposits

The Sheriff maintained deposits of public funds with depository institutions insured by the Federal Deposit Insurance Corporation (FDIC). According to KRS 66.480(1)(d) and KRS 41.240(4), the depository institution should pledge or provide sufficient collateral which, together with FDIC insurance, equals or exceeds the amount of public funds on deposit at all times. In order to be valid against the FDIC in the event of failure or insolvency of the depository institution, this pledge or provision of collateral should be evidenced by an agreement between the Sheriff and the depository institution, signed by both parties, that is (a) in writing, (b) approved by the board of directors of the depository institution or its loan committee, which approval must be reflected in the minutes of the board or committee, and (c) an official record of the depository institution. These requirements were met, and as of April 7, 2001, the Sheriff's deposits were fully insured or collateralized at a 100% level with collateral of either pledged securities held by the Sheriff's agent in the Sheriff's name, or provided surety bond which named the Sheriff as beneficiary/obligee on the bond.

CASEY COUNTY NOTES TO FINANCIAL STATEMENT April 7, 2001 (Continued)

Note 3. Tax Collection Period - Property Taxes

The real and personal property tax assessments were levied as of January 1, 2000. Property taxes were billed to finance governmental services for the year ended June 30, 2001. Liens are effective when the tax bills become delinquent. The collection period for these assessments was October 18, 2000 through April 7, 2001.

Note 4. Interest Income

The Casey County Sheriff earned \$6,314 as interest income on 2000 taxes. The Sheriff distributed the appropriate amount to the school district as required by statute, and the remainder will be used to operate the Sheriff's office.

Note 5. Sheriff's 10% Add-On Fee

The Casey County Sheriff collected \$14,327 of 10% add-on fees allowed by KRS 134.430(3). This amount will be used to operate the Sheriff's office.

Note 6. Advertising Costs And Fees

The Casey County Sheriff collected \$2,140 of advertising costs and \$2,140 of advertising fees allowed by KRS 424.330(1) and KRS 134.440(2). The Sheriff will pay the cost of publication of delinquent taxes with the advertising costs and the advertising fees will be used to operate the Sheriff's office.

CASEY COUNTY ROBERT WEDDLE, SHERIFF COMMENT AND RECOMMENDATION

April 7, 2001

None.

INTERNAL CONTROL - REPORTABLE CONDITION/MATERIAL WEAKNESS:

Lacks Adequate Segregation Of Duties

The internal control structure lacks a proper segregation of duties. There is a limited number of staff responsible for duties associated with the tax settlement. Even though the Sheriff has statutory authority to assume the role as custodian of monetary assets as well as recorder of transactions and preparer of financial statements, he does not perform any compensating controls. The Sheriff has decided to limit the number of personnel responsible for duties associated with the tax settlement and accepts the risk for a lack of adequate segregation of duties. In order to offset this internal control weakness, we recommend the Sheriff assign duties to another deputy/employee. Duties that should be separated include preparing deposits, reconciling bank statements, opening mail, and preparing and distributing checks. This other deputy/employee should document performing these duties by initialing and dating documentation.

Sheriff's Response:

We understand, but are unable to hire anyone at this time.

PRIOR YEAR:

None.

Honorable Ronald Wright, Casey County Judge/Executive
Honorable Robert Weddle, Casey County Sheriff
Members of the Casey County Fiscal Court

Report On Compliance And On Internal Control Over Financial Reporting Based On An Audit Of The Financial Statement Performed In Accordance With Government Auditing Standards

We have audited the Casey County Sheriff's Settlement - 2000 Taxes as of April 7, 2001, and have issued our report thereon dated August 15, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in <u>Government Auditing Standards</u> issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Casey County Sheriff's Settlement - 2000 Taxes as of April 7, 2001 is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Casey County Sheriff's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statement and not to provide assurance on the internal control over financial reporting. However, we noted certain matters involving the internal control over financial reporting and its operation that we consider to be reportable conditions. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect the entity's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statement. The following reportable condition is described in the accompanying comment and recommendation.

Lacks Adequate Segregation Of Duties

Report On Compliance And On Internal Control Over Financial Reporting Based On An Audit Of The Financial Statement Performed In Accordance With Government Auditing Standards (Continued)

Internal Control Over Financial Reporting (Continued)

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statement being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we consider the reportable condition described above to be a material weakness.

This report is intended solely for the information and use of management and is not intended to be and should not be used by anyone other than the specified party.

Respectfully submitted,

Edward B. Hatchett, Jr. Auditor of Public Accounts
